**From the HOA President:**

Once again, your HOA board of directors has been operating under budget so far this year. If all keeps going like it is, with no hurricanes, breakdowns, etc., we should be looking good for next year. We'll find out at our board's budget meeting set for 6 p.m. Wednesday, Nov. 17, in the clubhouse.

It would help our finances if all our homeowners paid their quarterly assessments on time. Over the past few months, the number of homeowners who were delinquent stood at 29. Then it dropped to 15. However, now the number is back up to 35! This affects all of us, but most are not aware because the board usually takes care of it without a big fanfare. — except here, in the monthly newsletter.

If you would like to know how to make your payments automatically, just take a look at my comments in past newsletters. All the information is there. Or call our community association manager, Scarlet Milano, who is at our clubhouse every Wednesday afternoon except the third Wednesday of the month, when she is there from 3 to 5 p.m.

The waterfall at our exit is getting too much sand sucked in through the system. This situation is being worked on by Greg Walker and our vice president, Rick Anderson. The waterfall has been shut off so its pond can be drained and the system pressurized in an effort to find the problem and fix it.

This coming Wednesday, Oct. 27, the Social Committee will hold an informational meeting for ALL residents of our community. It is the committee's mission to promote various activities for our residents so they may come together to meet and enjoy their neighbors. Current activities include breakfasts, dinners, bingo, a book club, ice cream socials, an Easter egg hunt, Breakfast with Santa and a Gingerbread House Contest. Serving on the committee is a great way to meet your neighbors.

If you are interested in joining the Social Committee to chair an event, start a new event or help with an existing event, please email Ana Amaral at [ama6258@gmail.com](mailto:ama6258@gmail.com) or call Pat Macchia at

(239)

600-7901. You also are invited to attend the Social Committee's annual meeting at 10 a.m. Nov. 16 in the clubhouse. Please RSVP to either Ana or Pat.

All Social Committee events are listed on the HOA website, advertised on the sandwich boards near the gatehouse, and announced in flyers sent via email. If you do not receive the e-mailed flyers, please call Donna at (239) 470-3288 or email her at [silverlakeshoaweb@gmail.com](mailto:silverlakeshoaweb@gmail.com)

Our secretary, Jim Wisniewski, has been working with GSCDD's pond group and has advised us that the North and Middle (clubhouse) ponds will be worked this year and probably into the next calendar year. This involves repairing the banks by installing a stone barrier between the water and grass, much like what you see when exiting our community and looking at the completed work on the banks across Griffin Drive. I am told the staging area for this work will be the same area that was used to work on the pond across Griffin.

Once again, I want to thank ALL our board and committee members for all they do for our community. Without all these volunteers, our place would not look as good as it does. THANK YOU ALL!
