

**GATEWAY SERVICES CDD
IRRIGATION WATERING RESTRICTIONS**

February 20, 2024

On January 16, 2024, the Lee County Board of County Commissioners enacted Ordinance 24-01, introducing an amended annual irrigation schedule starting this February 1, 2024, for unincorporated Lee County, introducing a one-day-per-week watering schedule annually from February 1 through May 31 in unincorporated Lee County ([Available Here](#)). The restrictions are invoked by the formal declaration of a water shortage condition or water shortage emergency condition. As a direct result of this Ordinance, Gateway Services Community Development District is required to implement a new irrigation schedule across the GSCDD utility service area. Below is the updated irrigation schedule, in accordance with the irrigation restrictions outlined in Ordinance 24-01.
