Dear Residents of Silverlakes,

As we reflect on the year that's nearly come to a close, we are filled with gratitude and pride for all that our community has accomplished together. From maintaining the beauty and charm of our properties to fostering a welcoming and friendly atmosphere, your dedication to making this neighborhood a wonderful place to live has been evident in every corner.

This year has been a remarkable one, thanks to the collective efforts of each of you. Whether it was through your participation in community events, lending a hand as volunteers, or simply being a thoughtful neighbor, you've all played a part in making Silverlakes a true reflection of what a strong, caring community looks like. Your commitment to keeping our properties in excellent shape not only adds to our neighborhood's appeal but also makes it a more enjoyable place to call home.

As the holiday season approaches, we are excited to close out the year with festive events and celebrations that bring us all together. We hope you'll join us for the upcoming festivities, from our annual Harvest Dinner, to the Santa Breakfast, and the holiday tree lighting event, and the New Year's Eve Party, and continue to strengthen the bonds that make our community special.

We also want to take a moment to welcome our new homeowners, many of whom are settling in alongside veterans of our community. We encourage all residents, both longtime neighbors and newcomers, to engage with one another and share in the spirit of unity. Our newsletter is a great way to stay connected and informed—whether you're looking to participate in events, volunteer for future activities, or simply learn more about what's happening around the neighborhood.

Thank you once again for your ongoing involvement and for making Silverlakes a place where everyone feels welcome, supported, and valued. We look forward to another year of working together to continue building a community we can all be proud of.

Warmest regards,
Your Board of Directors

OUR THOUGHTS GO OUT TO:

He won first prize in a worldwide horse show held in Madison Square Garden.
- *Glen Donley*, a former Silverlakes resident who lost his wife, Rosemary, to cancer in early November. The Donleys, who now live full-time in Ontario, Canada, spent winters in Silverlakes for many years. Condolences may be sent to Glen at 79 Elm St. S, Box 604, Thornbury, Ontario, Canada NOH2PO.
