ACC REQUEST FORM DIRECTIONS:

Silverlakes community standard colors are matched to the Sherwin Williams paint colors. Sample color chips are available at any of their stores. Other paint brands may be used as long as they are matched to the Sherwin Williams paint chips that the ACC uses as approved colors.

A link is proved to the list of approved Body & Trim colors, as of 2025, and listed on the Silverlakes website. Below is the link:

and located on the website under "Forms"

ACC paint approvals are good for 45 days after approved and residents will receive a confirmation letter from Compass Rose Management.

Additional deeper paint shades are available as trim colors that will match the tile roofs or create a complimentary contrast with a base color, some popular door colors are in the brown, green or dark red hues. Colors that are close to approved colors but not on the approved list will be considered. Striking deviations from these paint colors may not be approved. Homes that are painted without ACC approval and do not comply with the community standard may have to be repainted.
