

# **Silverlakes Approved Paint Colors**

Updated June 5, 2011

Silverlakes community standard colors are matched to the Sherwin Williams paint colors. Sample color chips are available at any of their stores. Other paint brands may be used as long as they are matched to the Sherwin Williams paint chips that the Architectural Control Committee uses.

The specific approved paint colors are shown on Page 2 of the Architectural Control Request Form which can be viewed and/or printed from this web site. The Architectural Control Request Form is found in the “Forms” section on this web site.
